**Updated: June 2019****ACADEMIC POSITIONS**

- | | |
|------------------------|---|
| Since 10/2015 | “wissenschaftlicher Mitarbeiter” at the chair of Prof. Dr. Katrin Auspurg for Sociology with a special focus on Quantitative Methods of Empirical Research, Ludwig-Maximilians-Universität München |
| 04/2014-07/2017 | “wissenschaftlicher Mitarbeiter” at the chair of Prof. Dr. Katrin Auspurg for Sociology with a special focus on Quantitative Methods of Empirical Research, Goethe University Frankfurt a.M. |
| 05/2013-05/2014 | “wissenschaftlicher Mitarbeiter” Young Scholar Fund, Initiative of Excellence: „Publication Bias als soziales Dilemma: Neue theoretische und empirische Impulse“ Dr. Katrin Auspurg, University of Konstanz |

EDUCATION AND PROFESSIONAL TRAINING

- | | |
|------------------|---|
| 2013-2019 | PhD (Dr. rer. soc.), LMU Munich (summa cum laude – with greatest distinction) |
| 2011-2013 | Master Sociology, University of Konstanz (with distinction) |
| 2008-2011 | Bachelor Sociology, University of Konstanz (very good) |

RESEARCH AND TEACHING FOCUS

- Quantitative methods of empirical research (esp. data science)
- Statistics (esp. meta-analyses, Monte Carlo simulations)
- Sociology of science (esp. scientific misconduct)
- Discrimination (esp. in the housing market)

PROFESSIONAL SERVICES

Reviewer for Academic Journals:

BMJ Evidence Based Medicine, Journal of Ethnic and Migration Studies, Scientometrics, Soziale Welt

Administrative Tasks

Since 2016 Ethical Review Board (Faculty of Social Sciences, Ludwig-Maximilians-Universität München)

PUBLICATIONS

with Katrin Auspurg and Thomas Hinz “Appointment procedures as tournaments: revisiting male and female scientists’ chances of being appointed as professor”, Annual Meeting der American Sociological Association, August 20.-23. Seattle (USA)

with Katrin Auspurg „Warum wir immer noch auf der Stelle treten – Publication Bias in Meta-Analysen“ Konferenz Wissenschaftlicher Fortschritt in den Sozial- und Humanwissenschaften?, June 11./12., Universität Leipzig

with Katrin Auspurg „Migrant/innen willkommen, aber nicht in der Nachbarschaft? Survey-Experimente zu Segregationspräferenzen“, Questback User Summit, June 2., Köln

2015

with Katrin Auspurg and Thomas Hinz “Convincing evidence? A meta-analysis on ethnic discrimination in the housing market”, Rational Choice Sociology, November 16.-18., Venice International University

with Maximilian Sonnauer und Katrin Auspurg “Closed doors everywhere? A field experiment in the German rental housing market”, poster-presentation, Rational Choice Sociology, November 16.-18., Venice International University

with Katrin Auspurg “Is it really worth the effort? A meta-regression approach on the (cost-) effectiveness of incentives in self-administered surveys” Konferenz der European Survey Research Association, July 14.-17., Reykjavik

with Katrin Auspurg “Vignette studies in Labour Market Research” ncr on the move Workshop on Factorial Surveys in Labour Market Research, May 21., University of Lausanne

2014

with Katrin Auspurg „Auf der Suche nach ‚Signifikanz‘ – Indizien des Signifikanztrimmens“ poster-presentation, Rational Choice Sociology, November 10.-13., Venice International University

with Katrin Auspurg “What difference makes a difference? – A meta-regression approach on the effectiveness conditions of incentives in self-administered surveys” MAER-Net Colloquium, September 11.-13., Athens

with Katrin Auspurg and Thomas Hinz „Meritokratie, Diskriminierung oder Selbstselektion? Berufungschancen von Wissenschaftlerinnen und Wissenschaftlern an der Universität Konstanz“ Gender in Progress February 12. University of Konstanz

2013 *with Katrin Auspurg* “Just Taking the Gift or Returning the Favor? A Meta-Analysis on the Effects of Incentives for Survey Participation” Rational Choice Sociology, November 18.-21., Venice International University

with Andreas Filser and Katrin Auspurg „Wissenschaftlerinnen in Berufungsverfahren der Universität Konstanz im Zeitraum 2001-2011“ Gender in Progress, January 25., University of Konstanz

2012 „Respondent-Driven-Sampling – eine valide Stichprobenmethode in versteckten Populationen?“ poster-presentation, 36. Kongress der Deutschen Gesellschaft für Soziologie, October 1.-5., Bochum/ Dortmund

TEACHING

Spring 2019	Computational Social Science (BA Research Course)
Fall 2018/19	Datenerhebung (Seminar MA, with Katrin Auspurg) Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (BA) Social Network Analysis (BA in Englisch)
Spring 2018	Data Science (BA Research Course)
Fall 2017/18	Einführung in das wissenschaftliche Arbeiten (BA) Übung zur Bachelor- und Masterarbeit (BA) Social Network Analysis (BA in Englisch)
Spring 2017	Methoden der quantitativen Sozialforschung II (BA)
Fall 2016/17	Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (BA)
Spring 2016	Methoden der quantitativen Sozialforschung II (BA)

Fall 2015/16	Methoden der quantitativen Sozialforschung I (BA)
Spring 2015	Ethnische Diskriminierung auf dem Wohnungsmarkt II (Forschungsseminar BA)
Fall 2014/15	Ethnische Diskriminierung auf dem Wohnungsmarkt I (Forschungsseminar BA)
Spring 2014	Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (MA)
